## GLORIA by John Rutter

The celebration of Easter continues at St. Luke's this Sunday with the presentation at 10:00am of GLORIA, the powerful large choral work by British composer John Rutter. This exciting work is sung by the St. Luke's Choir and accompanied by 4 trumpets, 3 trombones, percussion, timpani, and organ. At the offertory, the choir and instruments present Rutter's rhythmic setting of Psalm 150, *Praise Ye the Lord*.

GLORIA will be sung in the ancient Latin text, based upon one of the Gregorian chants associated with the text. The work is divided into three movements: the outer movements make a joyful noise unto the Lord, while the middle movement is softer and more introspective. Written as a concert work, GLORIA was commissioned by the Voices of Mel Olson, Omaha, Nebraska, and was first performed in 1974 in the United States with Rutter conducting. The St. Luke's Choir previously presented the Rutter GLORIA on April 15, 2010.

John Rutter, the most successful and well-known composer of choral music in recent British history, was born in London in 1945 and received his musical education as a chorister at Highgate School. He went on to study music at Clare College, Cambridge, where he wrote his first published compositions and conducted his first recording while still a student. His compositions embrace both large and small-scale choral works, orchestral and instrumental pieces, a piano concerto, two children's operas, music for television, and specialist writing for such groups as the Philip Jones Brass Ensemble and the King's Singers. From 1975-1979, he was Director of Music at Clare College, and in 1981 formed his own choir, the Cambridge Singers, a professional chamber choir primarily dedicated to recording. He now divides his time between composition and conduction. In 1980, he was made an honorary Fellow of Westminster Choir College, Princeton, NJ and in 1988 a Fellow of the Guild of Church Musicians. In 1996, the Archbishop of Canterbury conferred a Lambeth Doctorate of Music upon him in recognition of his contribution to church music.

The Ministry through Music at St. Luke's wishes you a joyous and blessed season of Easter!

### NEXT SUNDAY

**COMING NEXT WEEK:** Sunday, April 19, we begin a 10-part study on Gospel Christianity by Tim Keller. John Wigington will be leading the study, which kicks off with "How do I follow Jesus?" **CHILDCARE PROVIDERS NEEDED!** We love our littlest ones! But sometimes they are more comfortable in our nursery rather than in the worship service. We have a couple of paid openings for childcare providers on Sunday mornings. If you know someone who may be interested, please email [sylviamaye@stlukeshhi.org](mailto:sylviamaye@stlukeshhi.org). Until we find the right people, we are also dependent on volunteers. If you can help us by volunteering either short-term or on an ongoing basis, please see Sylvia as well. Thanks for helping to make the parish a welcome place for children and their parents.

If you know of a need in our congregation, please contact Janis Schluchterer through the church office.

## OUTREACH: VOLUNTEERS IN MEDICINE

Volunteers in Medicine (VIM) is a nonprofit volunteer staffed medical and dental clinic that opened its doors June 1, 1993, on Hilton Head Island. Our founder, Dr. Jack B. McConnell, MD saw our community as one of wealth and poverty side by side. The wealthy had good health care and the poor had none. He set about the task of rectifying this situation. The result was a free-standing clinic staffed by volunteer physicians, dentists, nurses, pharmacists, optometrists, psychologists, mental health specialists, dental hygienists and assistants, translators, facilitators, patient screeners and administrators. VIM cannot accept funds from insurance companies or any tax funds. Patients are screened for their income and those who earn less than twice the U.S. government determined poverty level are treated free of charge. VIM is The Good Samaritan on Hilton Head Island. We depend on private donations to fund patient care. Please prayerfully consider contributing to our mission of providing health care for those unable to do so for themselves. Thank you in advance and may you be blessed for helping those in need. George R. Myers, DDS, VIM volunteer dentist.

Please make checks payable to [St. Luke's Church](#) and put "VIM" in the Memo line. The Church Mouse Thrift Shop matches donations given by parishioners up to a limit of \$3,000.
