OUTREACH: VOLUNTEERS IN MEDICINE (VIM) \$2,308

Volunteers in Medicine-Hilton Head provides free medical and dental care for working poor families through the donated services of 500+ volunteers. The dental clinic needs help to provide dentures for patients with missing teeth. Although our dentists are volunteers, the lab work has to be outsourced and we must rely on donations to cover the lab bills.

The wait time for a denture is now 4-6 months. That is a long time to go without teeth, and the patient's ability to eat, smile and be employed is severely affected. The impact of a restored smile can be huge for these patients, improving both their economic and physical health. Many say their improved appearance has helped them get better jobs, often at higher wages.

A budget is not available for special needs like the denture program. Therefore, VIM is asking St. Luke's members to help us bring brighter smiles to more of our patients.

Please make checks payable to St. Luke's Church and put "VIM" in the Memo line. The Church Mouse Thrift Shop matches dollar for dollar donations given by parishioners up to a limit of \$3,000.

ANNOUNCEMENTS

TODAY

BOOKSHOP AVAILABLE BY APPOINTMENT: Greetings and a temporary Au revoir from our Bookshop! We have such a wonderful array of books for your reading pleasure, gifts and cards galore. However, we will be closed while the Parish Hall is under construction. Should you need anything in the meanwhile, we are only a phone call away (Dennis Puckey at 843-683-6779), and will happily order whatever you desire. If you see a Bookshop employee on Sundays, feel free to ask them for entry to purchase items. We will miss you, and are anxious to be open again to bring you goodies and inspiration. Have a beautiful summer, God Bless, and we'll see ya soon!

THIS WEEK

AN APPLE FOR THE TEACHER 2016: Yes, it is that time of year again...Back to School shopping! Please help our St. Luke's pre-school teachers get ready for this school year by picking up some much needed school supplies for the upcoming school year. The items are inexpensive; mostly used for hands- on activities and many times, the teachers pay "out-of-pocket" to get the supplies they need for the fabulous activities they do with the children. Please consider taking an "apple" from the baskets today, purchasing the item requested then returning it to church next week to be delivered to the classrooms before school begins! Most items are less than \$20. Remember, Thursday, August 4 starts tax-free weekend! Thank you in advance for your generosity!

PARKING LOT RENOVATIONS: For the summer months, all of the parking, driveways and walkways on the east side of our campus will be closed for construction. We will not have access to the Vestibule entrance to the church. These parking areas and walkways are the ones that are in the worst condition and it is most economical to repair them now while we are working on the preschool playgrounds, driveways and parking areas. During this period all church access will have to be through the Pope Avenue entrance. **The contractor will keep a path open to the Woodhaven exit in case of an emergency.** We will use the extended parking area beside our Missions and Ministry building to make up for the spots we will be losing for the summer. We will also have attendants helping with parking on the pine and leaf areas to insure efficient entrance and exit to these spots.

UPCOMING

CALLING ALL ST. LUKE'S MINISTRY LEADERS: In preparation for Celebration of Ministries Sunday, September 11, please select a verse of Scripture that undergirds your ministry with God's Truth. Your verse will be used in the events that Sunday and throughout the year for supporting all ministries with God's Word, the foundation of our faith. Please text or email the selected Scripture by August 10 to Dottie Bowen, dbowen@bowenbriggs.com; [843-298-2096](tel:843-298-2096).

GENERAL

WE'RE EXPERIENCING A SHORTFALL: Giving is down \$14,412 for the month of June and we are \$36,027 down in year-to-date contributions. We appreciate the generosity of our parishioners in helping to alleviate this shortfall. Thank you.

YOUR SKILLS ARE NEEDED: As St Luke's expands its prison ministry, there is a need for a couple to teach parenting skills at Ridgeland Correctional Institute. As at Allendale, prisoners want to be good fathers to their children but don't know how. Norm & Susie Galloway as well as Nathan & Rebecca Bistis both spent time at Allendale helping the inmates with this important part of their life. If interested in being a part of this ministry, or if you have questions, please contact Rob Cushman at rob@cushmanhhi.com.

FAVORITE VERSE: "We shall not all sleep, but we shall all be changed." (1 Corinthians 15:51) is the favorite verse of our Nursery volunteers. And our paid staff does all the changing! Your role is to love, play with, and read to the little ones. Won't you sign up to sub this summer or take a permanent slot (6x/year)? Thank you! sylviamaye@stlukeshhi.org

WE HAVE TWO JOB OPENINGS AT THE MOUSE: The Assistant Manager position is a 30-hour a week position—9:30-3:30, Tuesday-Saturday. We're looking for someone with high energy, is customer service minded and loves to rearrange furniture! This could be a perfect fit for anyone with school-age children. The #2 Warehouse/Driver position is a 20 hour a week position for pick ups & deliveries, receiving donations, and moving furniture throughout the store. The ability to lift heavy objects is a requirement. Please contact Debbie Wood at the Church Mouse for more information. 843-785-2322 or debbie@churchmousethrift.com
