If you have any health problems or are taking medications for your heart, blood pressure, diabetes, joint problems or anything that may impair your participation physically please speak to the team leader about these. We may ask for clearance from your physician or help direct you into another avenue to help with the mission trip.

\_\_\_\_\_

3: What are your personal goals/hopes for this experience? \_\_\_\_\_  
\_\_\_\_\_

4: How has God used you in the past to minister to others? \_\_\_\_\_

\_\_\_\_\_

\*\*\*\*\*

Can you FOLLOW, go with the unknown, lead if necessary? Can you deal with not understanding someone who is asking for help? What about being tired, sweaty, hungry and there is no electricity. How will you handle eating the same food over and over and over again for the whole trip? Are you a team player? ***Are you willing to be obedient to the team leader's and missionaries' requests?*** These are the things that are imperative to ***think about NOW***. If God is calling you to go then He wants you for a reason. But remember we go into another culture and we go to serve. God is not asking us to take a vacation; He is asking each of us to join a work party. This may be hard work but if you put the Lord first you will come away from this trip having served the Lord well.
