

Project Platoon

1LT Daniel Kronz has asked our church to sponsor his platoon during their upcoming tour of duty in January. The Children's & Family Ministry (CFM) Team would like to send a box to Daniel and his men during the first week of February.

Daniel's platoon will be in a very remote area of Afghanistan with no running water, no bathrooms or showers and no place to shop for necessities (or treats).

We are asking our **Sunday School Classes** to **bring items from the list below** on **Sunday, Jan. 20, Jan. 27 or Feb. 3**. The class that brings in the most items will get a home baked treat!

Let's put together an amazing box - or boxes - for Daniel and his men! Each month the men are in Afghanistan, a different St. Luke's ministry group will be sending a box. The CFM team is kicking off Project Platoon by sending the first box!

We are going to make sure that each member of the Platoon has a card made for him by one of the children - with our best wishes, love, prayers and thanks for his service to our country.

Please **bring items** from the list below **to your Sunday School class** by February 3. You can get small travel sized items, or full sized items. If there are other items you think the guys would enjoy, please feel free to add to this list!
